

## The WRAG April 2012

### Western Region MAG

#### Bike Parking

North Somerset Council has installed Bike Parking spaces in Melrose Car Park in Weston-super-Mare.

This gives space for about six to eight bikes further along the sea front towards the Knightstone.

There is also to be minor changes to the main bike park, due to works being carried out in conjunction with changed bus routes.

The entrance to the bike park is being slewed to a more bike friendly angle, and the exit is to be moved further down the link road between Marine Parade and Beach Road.

Although there will be no loss of bike parking space within the bike park, the area between the bike park and Marine Parade will be lost as an overflow, as a bus lane will cut across this area.

Whilst the car park in Carlton Street is to be rebuilt as a multi story car park, it is believed that an area has been set aside for bikes next to Scallies.

#### AGC

Wycombe MAG is hosting the 2012 MAG UK AGC. With the help of the Thames Valley Region, Wycombe MAG will be turning the Conference into a weekend long
