

The WRAG December 2012

Western Region MAG

Trollitorial

Well here we are again with another year drawing to a close, it hardly seems like yesterday that we were all up at the Slippit Inn Rally, and now it's nearly Christmas!

It would seem that generally the attendances at all events this year were down, but that is hardly surprising with the present economic climate.

The biggest thing that MAG has been involved with this year was the Type Approval legislation worming its way through the EU Bureaucracy!

And despite all our letters, e-mails and an enjoyable day holding a Demo run on the

M5, our MEPs have chosen to ignore our concerns and vote the way the EU has told them to!

But at least the French have dropped (for now) their Hi-Viz legislation

The Fight goes on! Thank you to everyone who got involved one way or another.

Yuletide Felicitations

Have a very Merry Yuletide and hopefully a great 2013.

Here's an idea for a Christmas present, why not give a MAG membership?

Mid-Wilts MAG

Mid Wilts Christmas party is on the 15th of December at the Sir Audley Arms, Chippenham, SN14 0DY

Live music is by A Fryad Knot, and entry is a meager £3 on the door

Please can people donate raffle prizes, Thanks Taff.

Calne Motorcycle Meet

There seems to be some confusion over where the 2013 Calne Bike Show will or will not take place?

Due to the sheer size of the event and for safety reasons there are those who wish to move the event to Bowood House, but

there is a lot of folk who feel it should remain in the town of Calne.

If you are a regular visitor to this event you may wish to keep an eye on their Facebook page:

<http://www.facebook.com/CalneMotorcycleMeet2013?ref=stream>

If it goes ahead at Bowood House, they are looking at more trade stands and an autojumble as well as motorcycle clubs, live bands, a beer tent, cafe, helmet store, funfair, food stands and much more to be confirmed.

There would also be an arena where there will be cavalcades from vintage, classic, veteran and special interest bikes.

The event is scheduled for the 27th July 2013.

Winter Motoring Advice

The DfT has issued the following advice for winter motoring:

Check that your vehicle is ready for winter using the POWDERY checklist as a good reminder:

PETROL (or diesel). Have you got enough? Do you know where to fill up?

OIL - check levels once a month

WATER - check radiator and screenwash regularly

DAMAGE - check wipers, lights etc for signs of wear and tear or damage, and make sure windscreens, windows and lights are clear of ice and snow.

ELECTRICS - check lights, indicators and controls are working properly

RUBBER TYRES - are they well inflated, legal, with good tread and free from damage?

YOU - are you fit to drive? Have you slept well? Are you taking any medication(s) that could make it unsafe for you to drive?

If you are planning to travel with pets, ensure that animals are safe and secure, and will not be a distraction to the driver or people travelling in your vehicle — seek appropriate advice before you travel.

Gather together the following items and pack in your vehicle at the start of the winter season, you never know when you might need them!

Ice scraper and de-icer; Warm clothes and blankets — for you and all passengers; Torch and spare batteries - or a wind-up

torch; Boots; First aid kit; Jump leads; A shovel; Road atlas; Sunglasses (the glare off snow can be dazzling).

In addition, when setting out on journeys during the winter season remember to take with you:

Food and a thermos with a hot drink

Any medication you, or other people travelling with you, need to take regularly.

Please take care out there on the roads, and try to avoid all those pot holes!
