Anne's 70th

Anne turned 70 this year and her son Jody organised a surprise birthday party, inviting as many of Anne's friends as he could contact to a party at Old Down football club.

The party came as a complete surprise to Anne even after spotting

Eddie's Harley in the car park, Jody quick off the mark replied that perhaps Eddie had taken up bowls! Friends from MAG and WIMA and family were there to help Anne celebrate her 70th birthday.

The Troll only just got there after a 200 mile round trip from observing at the S Wales MAG AGM.

MAG Awareness Day

Claire rallied the usual suspects to help with a MAG Awareness Day at Riders of Bristol.

Despite it being something of a blustery day, with the gazebo threatening to take flight despite all the bungees, it was a good day with three memberships taken on the day. Various MAG members turned up during the course of the day including a very ecstatic Sally, who had just got her bike back from

being repaired after it had been stolen.

MAG Stand

The MAG stand will be at the following events through this year, so pop along and say hello if you're passing.

8th June: Somerset Bike Day.

26th July: Calne Bike Meet.

16th August: Bristol Bike Show.

19th October: Hoggin the Bridge

Bristol Bike Show

The annual Bristol Bike Show is being held on Saturday 16th August around the St Nicholas Markets, just off the city centre in Bristol.

Volunteers are needed to help marshal this event, so if you can help please contact Claire: 0117 3779 429 or 0790 6877 325.

Don't forget there is also the After Show Party held at the Saracens RFC on Cribs Causeway, entry is £6 or £5 if you are a MAG member.

GWR Rally

The Tenth GWR Rally is not far off now; do you have your tickets yet? If not get them from the Pay Pal facility on the Region website or get

them from The Troll who'll have them at the MAG stands.

Tone Vale Tea Rally

Despite the at times torrential rain Taunton MAG's rally went off well, with several Western Region members either helping or visiting the Rally, although it did get a trifle squidgy underfoot.

Even that renowned local Mr Mutch came along with Lembit Öpik in tow, quite how he found the site we don't know?
