Weston Bike Nights

Would just like to say a very big thank you to everyone this year for all your support at Weston Bike Night, numbers have been good all the way through. We raised £10,972-75. A brilliant amount which will go up a bit by the end of October, will post final amount when all monies collected, We are around over next few months with the poppy appeal and collecting at the carnival, hope to see some of you about Ride safe see you all next year. *Lyn Lovall*

Bike Show and After show party

Bike show T shirts made £120.. A big thank you to Big Nick for designing the T-shirts. Claire "would like to thank all those over the years who have supported the After Show Party over the years, together with those who have always helped, which has enabled us to raise funds for MAG, however, sadly, due to lack of support over recent years this event will not be happening again." It is, indeed, a shame that support has dropped off and the After Show Party is now no longer an ongoing event, particularly as this year's raised in excess of £300. However, it is hard work after a day doing the Show and this was a decision by the Bristol Committee. Claire has many ideas on how to fund raise so watch this space. Meanwhile, there is a lot of enthusiasm for the first Regional Rally (MAG Hatters) next Easter which is great. Finally, many thanks to Claire & Tim for all their hard work for the party for all these years. *Anne Gale*
