## MAG Hatters Rally Announcement

Sadly due to a couple of incidences at the 2018 Rally, where there was some damage to the cricket pitch, and some of the locals had

been upset over the behaviour of a tiny minority in the village and from someone in the car park, we are unable to hold the rally at the site we have been using for the past three years.

At this late stage a 2019 Rally is out of the question.

So, we are casting around for an alternative site. There is a chance of a good site - on a farm with barns etc., for bar, party, social etc., however, this is just outside our Region.

So if you know of a suitable venue i.e. similar to Eastington or that described above, please contact the regional committee .

We really need to find a suitable venue in order for the Region to make a contribution to MAG and fighting for Riders Rights.

Many thanks, the MAG Western Region Committee.
