

# The Motorcycle Action Group Annual Group Conference 2019

The Annual Group Conference this year was hosted by West Yorkshire MAG, and held at the Shaw Cross Sharks RLFC in Dewsbury.

The AGC was well attended despite the attempts of the weather to dampen everyone's spirits, although the camping had to be abandoned due to the waterlogged ground, but the campers had shelter in the

Rugby Clubs premises.

The business of the day was dwelt with, with no real controversy, and the time came for the awards.

Our very own Geoff Mills received the Fred Hill Freedom award.

And The Troll (George Legg) was awarded an Honorary Life Membership Award.

Greater London received the Bald Eagle Award for the highest percentage of membership increase.

As usual several big cheques were presented, with MAP handing over £50,000 and Storming handing over £51,000.

Cheques were also received from: Cumbria MAG £2,900; East Yorks MAG £4,000; North Devon MAG £2,000 plus a further £165 from sales of old stock and MAGFest £1,500.

Then in the evening it was time to Party. We were right royally entertained by a most excellent band, The Interiorz, with folk letting their hair down and having a great time.

Well done all the MAG folk who organised and helped.
