#### 10<sup>th</sup> GWR Rally

Weston & North Somerset MAG held their Tenth Great Weston Rally in September, which was well attended, with many new and old faces coming along to help celebrate the Tenth anniversary.

Since moving to the present site the rally has become much more popular with camping space at a premium, but it all makes for a cosy atmosphere.

Some folk were seen on the Friday evening sporting some strange looking head adornments, based on certain piece of male anatomy!

As usual the Coyote girls took to the bar top to dance as has become something of a custom at the GWR

Saturday afternoon saw cream teas being served by fairies of various shapes and sizes, it would seem one or two of the GWR crew was rather good at the dressing up, hope it didn't put anyone off their cream tea?

In the evening Smoke Room took to the stage and were most excellent as usual.

During the break the girls performed for the very last time their belly dancing act, and Debz our Rep and rally kingpin thanked one and all for supporting the GWR rally and all the rally crew for their hard work.

Once again the Coyote Girls took to the bar top to perform with a new member in the shape of a bright orange space hopper!

Deb Rose and Keith Hillier are both stepping down from our group committee and the GWR committee to take a well earned rest.

All in Weston MAG would like to Thank them for all the sterling work they have put into Group and the GWR Rally. Thanks guys.

Also we must Thank our rally site hosts who put up with us every year, but quite what they thought on finding fairies at the bottom of their Garden I don't know!

Hopefully we will see you all next year.
